Tochigi Prefecture is conveniently close to Tokyo and offers beautiful natural scenery along with a rich cultural heritage. Come and see Tochigi for yourself, far from the bustle of the big city. Here you can encounter a new and undiscovered world of wonder that will leave you satisfied in both body and mind.
Vivid Colors of Mother Nature

Intense flame-like autumn reds, sunlight spills through the gaps between the green trees. Surround yourself with the vibrant colors of Mother Nature while breathing in fresh, clean air.
Vivid Colors of Mother Nature

Tochigi Prefecture — Nature

Hydrangeas bloom silently amid old castle remains.

A visual extravaganza as cherry blossoms display their flowers for more than a month.

A sea of flowers covering roughly 24 hectares (60 acres).
Vivid Colors of Mother Nature

Experience the colors and sights of each season wherever you go. Forget your everyday worries and recharge here in Tochigi.
Jump into the Beauty of Nature

Experience the world with all five sense.
Create unforgettable memories with family, good friends, or that special someone in your life.

[Misakiguchi・White Water Rafting] Enjoy an exciting ride on crystal-clear waters.
[Nano-machi・Snow Cycling] Feel the thrill of cycling at full speed across white, snow-covered plains.
[Nano-machi・Snow Animal Kingdom] Heartwarming encounters with animals.
Return to the Past

Visit historic remains and explore the places built by people of the past. You're sure to be moved by the exciting stories encountered in each place you visit.
A New World of Festivals

Each of the region’s varied and unique festivals, made possible by the traditions and dedicated efforts of locals, offers an energizing experience.
Experience
Local Culture

Explore diverse cultural traditions from various parts of Japan, experiencing them on a personal level. These special hands-on cultural experiences create unforgettable opportunities to delve deeper into Japanese culture.
Top Notch Nighttime Spots

Enter a new reality, impossible to experience in the light of day.

[Rikudai City: Ashikaga Flower Park] This park has been ranked No. 1 year after year in illumination rankings in Japan.

[Utsunomiya City: Cocktail Bars] A stage for Japan's leading bartenders.
A Full-filling Time

After a long day of sightseeing, stay in one of the region’s many hot spring resorts and set aside some time to relax. When you’re hungry, enjoy unforgettable local cuisine served by expert local chefs.
